

## Demo Instructions

### Demo Website

The Brewers Buddy website is available online from any computer at <http://brewersbuddy.azurewebsites.net/>.

### Supported Browsers

This website has been tested on several major browsers and devices. It supports Internet explorer 9 or newer, Firefox 20 or newer and chrome. Also, it works on various mobile platforms such as iOS and Android.

### Responsive Design

The website features a responsive design that changes based on the screen size of the browser. To see this functionality, try resizing the browser window and watch as the page rearranges elements to try and find an optimal layout.
